A Request or Two

If you took food to Cecil Sharpe but have not yet picked up your dishes, please check the church kitchen to see if they are there.

The Hospitality Committee asks:

That you check for dishes left at the church from other functions as they are doing a "Clean Out" and don't want to dispose of anything someone might want.

That you use the Ice Chest in the kitchen **only for ice**. Please put any other items in the refrigerator.

Thank You!
